13	Back Voc	SM58	Boom	Comp	
14	iPhone	aux/FOH			Entrance Song

We bring with us only **black marked** microphones. Other microphones and stands is needed from the venue. We don't bring with us any technicians, so please get us professional technicians to do the job. We don't require big light effects, but the lights just make our show to look better. We bring our own backline with us. We need six (6) stage monitor.
